

Loop 202 Citizens Advisory Team meeting delayed

The South Mountain Citizens Advisory Team meeting scheduled for Thursday, Jan. 26, was postponed on Wednesday.

The meeting is rescheduled for Thursday, Feb. 2,

at the Gila River Indian Community's District 6 Center in Komatke on the northwest corner of 51st Avenue and St. Johns Road beginning at 5:30 p.m.

The change was due to a funeral that was scheduled in the community center for the same time the advisory team usually meets.

The group advises the Arizona Department of Transportation on the planning of the proposed Loop 202 South Mountain Freeway.
